# ABOUT US

Costain Process Engineering & Technical L.L.C (COSTAIN), offers comprehensive and competitive engineering services to the Oil, Gas, and General Industry.

Conveniently located at Al Qusais Industrial area 5 - in Dubai, we have ample area for Production, Assembly, Testing, Training Center & Storage.

Costain Process Engineering & Technical LLC can provide quick, reliable turn-around on all types of industrial pipe works and structural fabrication activities. Our versatile enable us to meet the needs of customers in a wide range of industries. We work from customer specifications to produce parts and equipment that meet industry standards. We give personalized attention to every project and offer support services that included Engineering Design, Project management, Construction Safety, Preventive Plant Maintenance (PPM) Inspection and Testing of Hydrocarbon Operating Equipment (AMS), Electrical Preventive Maintenance, Manage HSSE, Tank cleaning, Working at height platform, 3rd Party Inspection & Certification, Civil Construction Work, Painting, MEP, Air Conditioner Inspection and Repairs Work. Emergency Breakdown Attend, Specialized Manpower Supply, Supply of Sign Boards, Maintenance at Filling Stations, Documentation.

We are committed to Safety, Quality, Delivery, Cost, Moral and Environment. We understand and remain highly committed to the Quality, Consistency, and Excellence demanded by industry-wide standards such as ISO 9001:2015, ASME, API, AWS, PED/CE ETC.

With Trained, Certified, Experienced Personal, We have Capacity and Expertise needed to meet the client's services requirement on time and on budget.

COSTAIN is in constant process of updating our skills by adopting new technologies through our Business Partners. We firmly believe that diligent work will never go unnoticed. COSTAIN Top Management provides a positive and a proactive approach to the quality of all services.

Unconditional commitment paired with qualitative services had become the dictum our team.

# FOCUS ON QUALITY

Costain Process Engineering & Technical LLC is committed to a policy of total quality and excellence in everything.

Management has recognized the necessary to maintain the Quality Management System to enhance the overall profitability of the Company and add value to our customers and business.

In fulfillment of this policy, we shall ensure that product and services area supplied to meet their intended purpose and performance criteria in accordance with our customers specifications and requirements.

The quality objectives will be established and renewed annually for effectiveness and suitability. These objectives will be directed towards our success and strong experienced drivers.

Our quality objectives and concepts are outlined in our Quality Manual based on requirements of ISO 9001-2015.

## Certificate of Registration

This is to certify that  
**COSTAIN PROCESS ENGINEERING & TECHNICAL LLC**

Of  
PO BOX 233227, Dubai, United Arab Emirates

Operates a Quality Management System which has been assessed as conforming to:

---

### ISO 9001:2015

---

For the Scope of activities:  
Engineering Project Consultancy & Management, Mechanical Engineering work,

### UAE Business Awards

This is to certify that:

## SMART TECHNICAL SERVICES LLC

( UAE, OMAN, INDIA & SA )

Have Been Named:  
Best Tank & Pipeline Inspection Service Provider 2020

# CERTIFICATE

  
Jane Henderson  
Director  
Al Global Media Ltd

## OUR QUALITY POLICY IS AS FOLLOWS

**“COSTAIN PROCESS ENGINEERING & TECHNICAL LLC” IS COMMITTED TO PROVIDE HIGH QUALITY DESIGN & ENGINEERING, PROJECT MANAGEMENT, CONSTRUCTION, MANAGE CONSTRUCTION SAFETY, ASSET MANAGEMENT SYSTEM (AMS) PIPING AND STRUCTURAL, CIVIL WORK IN COMPLIANCE WITH APPLICABLE REQUIREMENTS TO ACHIEVE COMPLETE CUSTOMER SATISFACTION, THROUGH CONTINUAL IMPROVEMENT IN QUALITY AND PERFORMANCE OF ABOVE PRODUCTS, SERVICES AND QUALITY MANAGEMENT SYSTEM (QAQC – ITP, QMS, HSSE MANAGEMENT SYSTEM)**

# VISION

Our vision to implement and maintain highest levels of quality, integrity, dependability, and efficiency in the services that we provide to our valued customer, uncompromisingly. Our services are Goal Zero, because we care. We add value to everything we do. We care the best at what we do and keep getting better. We are audit ready everywhere, every day. Our Vision is to strive to be the best source in the UAE, OMAN, KUWAIT & INDIA for all kind of engineering works with full adherence to high quality, on time delivery and customer satisfaction.

## MESSAGE FROM CHAIRMAN

Dr. Soman R. Pillai

“Transparency in Quality and Standard is the Core to Industrial Perfection”

Our experience covers a wide range of industrial complex, including major construction and maintenance works. Company services are modular in concept and can be tailored to exact needs of each individual client. Organizations can develop and strengthen multiple layers of core competencies to give them a sustained competitive advantage.

Company had experience and depth to handle any size of projects yet is small enough to ensure that all projects receive personal attention of top management. The Costain Process Engineering & Technical LLC Group of companies will lead by 44 years’ experienced engineering team.

# MISSION

To be a leader in Oil & Gas Engineering Business, with investment in advanced technology, equipment, and people. Also, to provide product and services that ensure high standards of customer satisfaction through well-established systems and management parties.

Support to all clients for 7/24 Emergency breakdown support.

Also, the management leading by 43 years strong experience in Oil & gas engineering and project management

## OUR CAPABILITIES

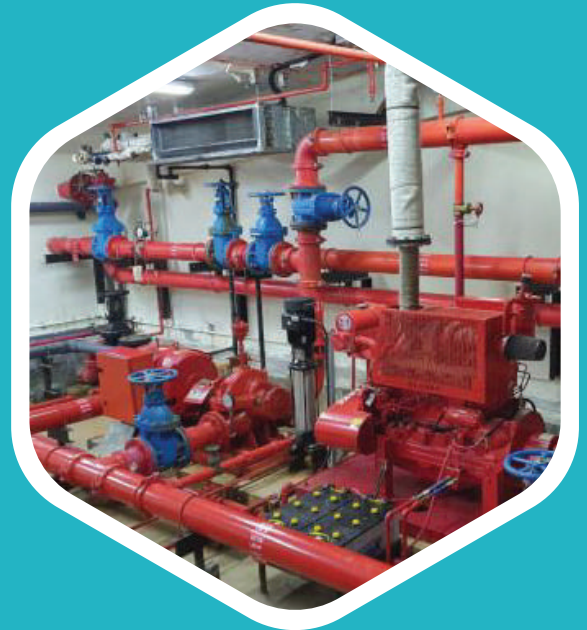

Mechanical, Civil, Electrical Engineering and Design Production  
Quality Assurance / Quality Control  
Civil Works  
Plant Maintenance & Shutdown  
Project Execution & Management  
Process Instrumentation  
Preventive Plant Maintenance for Oil and Gas Terminals (PPM)

Tank Cleaning  
3rd Party Inspection & Certifications  
Mechanical, Electrical & Plumbing Works  
MEP AMC Work  
MEP, HVAC & Civil  
Villa Refurbishment Work & Callout Jobs  
Construction Safety  
Ground Water Monitoring System  
HSSE Training

# ASPECT OF SERVICES WE OFFER INCLUDES

With Sound Infrastructure and Technical Support, Costain Process Engineering & Technical LLC undertakes all kinds of Industrial Engineering Works. Costain Process Engineering & Technical LLC's products and services mainly include:

- Engineering Procurements & Construction
- Design & Engineering and Project Management of Oil & Gas Storage and Handling Facilities
- Asset Management & Integrity Survey (AMS)
- Equipment Inspections, Maintenance & Certifications
- Preventive Plant Maintenance
- Process Safety & Process Engineering
- Construction Safety Management
- HSSE Training & Documentation
- RFID Installation, Commissioning
- Support for the preparation of documents for PTW system
- Inspection & Services of Fire Fighting Facilities
- Marine Engineering Support & Subsea Facilities
- Ground Water Monitoring system
- CCTV & Access Control System
- Facility Management of Commercial & Residential Buildings

Fire Fighting Installation

Marine Engineering

Pressure Testing job

Pump Inspection & Maintenance

Field Verification BDEP

- Insulation & Cladding work
- Civil Engineering Works
- Mechanical, Electrical & Plumbing works
- Maintenance & Inspection and Rectification of Air Conditioner (Splits, Central Units & Chiller Type)
- Engineering Support for Bitumen Plant
- Fabrication, Supply & Installation of Horizontal Tanks & accessories
- Venting Calculation (API Standard)
- Subject Matter Expert (SME) Inspections
- Scaffolding Installation, Inspection & Certification
- Project As-Built Documentation
- Flow meter calibration
- 360 Degree Scanning to prepare the General Drawings in 3D/2D Inspection
- Calibration & Certification of all kind of Process Safety Instruments
- Technical Inspection & Servicing of Rotating Equipment's
- Asset On / Off Service Technical Inspection & Servicing
- Fire Fighting Facilities for Residential & Commercial Building
- Manpower Supply
- Maintenance and Inspection of Bitumen and PMB Plant, Including Hot Oil and Electrical Heat Tracing System
